

March 18, 2020

All Sheriff's Offices, Municipal Law Enforcement Agencies & Emergency Management Officials

**Subject: COVID-19 Emergency Order**

**Dear Law Enforcement Officer/Emergency Management Official:**

The bearer of this letter is contracted by Publix Super Markets, Inc. and engaged in activities in response to COVID-19. Please grant them permission to travel to/from Publix locations for the purpose of store, site and/or equipment maintenance. It is requested that this permission be extended to all hours and conditions (after governmental damage assessments) to include curfews.

The bearer of this letter must also present to you the following:

- A government issued photo identification, such as a driver's license or state issued ID card
- An **employer** issued picture identification card, name badge or Publix business card
- Copy of Publix re-entry certificate or MOA for local state/area
- A stated or demonstrated business need or work order documentation

Should you need to confirm the identity and business intentions of any individual presenting himself or herself as a representative of Publix, please contact the Publix Manager of Maintenance Programs, Armand Cotnoir at (813) 967-7417. Alternatively, you may also contact the Publix Facility Services Contact Center at (888) 322-5454 (press 1, then ask for a supervisor).

Sincerely,

***Bob McGarrity***

Vice President – Facility Services
